

## SRPC IS PROUD TO PRESENT THE RURAL SURGICAL SKILLS CONFERENCE

The Rural Surgical Skills Conference is a premier networking and hands-on skills event hosted every two years in Banff. This event brings together healthcare professionals from across Canada to enhance their surgical skills, stay updated on the latest advancements in the field, and foster connections within the rural medical community.

### CO-CHAIRS

**Randi Galenzoski**

Randi Galenzoski is a Registered Nurse from Medicine Hat, Alberta. She has specialized in perioperative and perianesthesia nursing for the past 18 years, working as a staff nurse, Clinical Nurse Educator supporting both regional and rural communities, and now holds a provincial role as Senior Practice Consultant with Clinical Transition Education under the Associate Chief Nursing Office. Randi is currently enrolled in the Master of Nursing program through the University of Calgary. When she is not working or studying, Randi enjoys spending time with her husband, Mark, 8 year old daughter, Thea, and 10 year old Standard Poodle, Stella.

**Dr. Erin Beresh**

Dr. Erin Beresh is a family physician with enhanced skills in Women’s Health and Obstetrical Surgical Skills. She completed her OSS certification in Winnipeg, MB in 2019. With a busy generalist family medicine clinical practice, she has a strong interest in teaching and mentoring medical students and resident doctors to be able to manage common primary care complaints related to sexual and women’s health. Her medical passions include access to care, abortion care, contraception, menopause care, and high quality rural obstetrics care. She lives and works in Melfort, SK and spends her free time baking, gardening, and making music with her husband and daughter.

#### Event Schedule:

Wednesday, January 22nd: Registration and Meet & Greet starting at 5pm.

Thursday, January 23rd: A full day of hands on training and didactic sessions.

Friday, January 24th: The program concludes by 11am.
